Profile

Came to the United States of America from Taiwan in 1987, Dr Liu is an US citizen fluent in Mandarin and Taiwanese. Dr. Liu earned her master and doctor degrees of education from University of Massachusetts at Amherst, U.S.A. Dr. Liu enjoy teaching and learning with students from all walks of life. Integrating technology, digital media and clinical research with universal design for all is Dr. Liu's instructional focus and curricula design. Dr. Liu believes everyone can learn languages and all skills with proficiency. Dr. Liu prepared all preK to 12 students with proficiency-based languages curricula, career readiness and life-long learning. Deepen languages understanding, cultural appreciation and humanity for all through the lens of classic, contemporary and digital literacy is Dr. Liu's compassion. Integration of cutting edge technology, environmental responsibility, global collaboration and human creativity is Dr. Liu's dedication for life.

結合中文古典文學研究與現代科技創意是劉善理教育博士的終身研究理念。期願和天下人做交朋友，與世界環境共共生共存，代代傳承，齊創永續和平愛心世界。
